

TIP™ Case Discussion

For use with GPT3 (Subsequent) registrars only

Background

NCGPT recognises the invaluable assistance given to GPT3 registrars by their supervisors. This TIP payment is designed to reward those supervisors who provide specific advice on clinical challenges facing their GPT3 registrars.

For payment, please return this sheet along with completed TIP invoice or for more copies of this document please see the supervisors section on our website at <http://www.ncgpt.org.au/content/supervisors> .
